Subject - Application for Medical leave.

Respected Ma'am,

I was suffering from high fever accompanied by severe nausea and weakness from 30th July to 4th August, 2026, due to which I was unable to attend my classes. As advised by the doctor, I remained under medical treatment and took adequate rest for recovery.

I kindly request you to grant me medical leave for the above-mentioned period and consider my absence accordingly. I have attached the relevant medical documents for your reference.

Thank you for your understanding.

Yours sincerely,

Manmeet Gill
